Dear Ms Van Rhyn

REQUEST FOR MINISTERIAL SUPPORT: PARTNERS FOR POSSIBILITY

The Ministry of Basic Education recognises and appreciates the work that you and your organisation do with school principals throughout the country and therefore supports the programme by Partners for Possibility as a useful programme towards improving the standard of basic education in the country.

The support of Partners for Possibility is in line with the National Development Plan (NDP) which calls for the Department of Basic Education to align the interests of all stakeholders to support the common goal of achieving good educational outcomes that are responsive to community needs and economic development.

As the Ministry, we wish you all the best in all your endeavours in your support of quality education for all.

Yours sincerely

MR ME SURTY, MP
DEPUTY MINISTER
